The purpose of the Flexibility and Innovation Fund

- **Recognise and support (fund) sector expertise**
- **Promote innovation which will..**
- **...enhance sector practice.**
- **Then harvest and share outcomes**
- **And keep learning!**

The value of collaboration

The value of collaboration

- **Bringing a breadth of expertise to focus on common problems/issues/ideas**
- **Broader distribution of funding**
- **Intra-sectoral**
- **Inter-sectoral**

LSIS re-focus

LSIS: Key themes 2011-

- **Improving teaching and learning**
- **Developing capacity for curriculum design and development**
- **Turning policy analysis, research and interpretation into practice**
- **Enhancing leadership, governance and management for improvement and change**
- **Creating efficiencies, innovation and new ways of working**

A fishy process

Now that's what I
call innovative...
